“ I may no longer see him in the physical form but that is ok, because I know he is still with me.. I can no longer call him on the phone and seek his advice, but that is ok because I can talk to him anytime I want to and feel his presence and know in my heart what he would say.. I will not say goodbye, but see ya later because I know we will see each other again. Love you

And dad you got me one more time, that you.. very funny moving my horses around. I guess you knew I needed that. Ta Ta for now##imported-begin##Niki Roman##imported-end##
