“ Cindy: You and the kids are all wrapped in love and light and healing spirits from GOD above. I am so very sorry for your loss. What I remember is you talking about how much in love you both were and what your future held. I am stunned that he is with THE LORD at the tender age of 44. HE had a plan.

Please let me know if there is anything I can do for you, beyond praying you all through this, that is. I love you sweetie. Take it easy as you can. Nancee###imported-begin###Nancee Thomas###imported-end###

“ Rustman family
I didn't know Jim that well but what I do know and saw he was a strong man. He would come into the office never complained about his illness. Always had a smile on his face and I loved to hear his stories about his cooking experiences and his puppies. He loved his family and his boys and spoke very highly of all of you. Jim will be truly missed. Will be a very empty chair here in the office.###imported-begin###Sandy Hartman###imported-end###
