“ *I remember Jan so welcoming to everyone she met, no doubt she loved to "party" & play pool at the meat shoots. Especially remember her & mel dancing the night away at porterhouse when her step-son's band would play there, she was so fun to be around & never seemed to "act her age." I will miss her dearly as I know so many will. My prayers are with my niece & nephew (her grandchildren) Marissa & Zach, her son Troy, and the entire family. RIP party animal, hoping heaven can handle ya.*

“ *Jan was like my second mom because she and my mom (Marijean Moore) were best friends when we were growing up. I will miss her very much. Just knowing that she is in a better and not sick anymore is a blessing.*

“ *Jan was one of the most special women in my life. She was always such a delight to be around and we could laugh all night playing pool and listening to all her favorite music on the Jukebox. I learned a lot from her. I will miss her very much. My thoughts and prayers are with Troy and his siblings along with all the grandchildren, family, and dear friends.*

*Best wishes,
Mandy*
