

Janet Burdine

January 8, 1951 - November 6, 2019

It is with great heartfelt sorrow that we announce the passing of our beloved Janet Covington Burdine, as she has been taken by the hand of Jesus and led home. She was an Amazing Wife, Mother, Grandmother, Sister, Aunt, Cousin and Friend; whom will be sincerely missed by all.

Janet Covington Burdine was born January 8, 1951, (age 68) in Yuba City, CA. Janet passed away peacefully on Wednesday, November 6, 2019 at Sacred Heart Hospital in Spokane, WA. She is preceded by her parents Dorothy Jean Chandler and Walter Covington of Yuba City, CA. and one brother, Randy Wayne Covington of Yuba City, CA. She was born to the late Dorothy Chandler Covington and Walter Covington..

On August 29, 1969- Janet gave birth to her Son, Robert Broyles. Robert was Janet's entire world from the time she met her precious son that day, and for the rest of her life. Nothing lit up the room like the light in her eyes when Rob walked in.

On November 25th, 1975 she married the love of her life, Mr. Howard "Buck" Burdine in a quiet ceremony in Granger, WA. Howard and Janet eventually moved to the beautiful "Lake Town" of Moses Lake, WA, where they bought a beautiful home, worked their orchards and enjoyed their precious family. This became "Home" for Janet.

Despite her hectic schedule, her family and friends were Janet's passion and delight. As a Professional Caregiver with such a big heart, Janet; a loving mother and homemaker, was a remarkable cook and enjoyed preparing meals

for her family and friends to enjoy. She loved to hear their laughter and enjoy their company. Janet also had a great passion for gardening and growing beautiful flowers, plants, fruit trees and vegetables. Her yards were the envy of all whom were ever at her home or drove by. If you ever had the blessing of seeing her working in her yards, you ALWAYS saw that beautiful smile of hers. Something we will ALL miss!

“ For Janet's Family,

All of us here at Columbia Basin Cancer Foundation were so very sorry to hear that Janet has passed away.....She was such a sweet lady, and fought her battle with so much courage! She always amazed me at how she always cared so much about other people, putting them first, when she had so many struggles of her own going on. Cancer is such a dreadful disease, and I hope it is some comfort to you that Janet is at peace now, and doesn't have to struggle or suffer anymore. We are keeping you in our thoughts & prayers!
