“ Our hearts are sadden with this news. Janice was so full of life and will truly be missed. She would always tell me.... Michele frame that photo, you will want it one day when you don't have your mom around. Its hard to believe another classmate has passed. She loved to find "Treasurers". Well the good Lord has taken her and now she is his "Treasurer" Janice RIP my friend.

“ *Janice loved her family so much they were her pride and joy. She loved to go to Packwood and other sales collect "Treasures" somehow Janice always found just what she was looking for at these sales. The void left will never be replaced but she left a great legacy through her grandkids who were all her favorites .Enjoy sharing your moms apple pie with her now, I will miss you.*
