“ *Even though we haven't seen Jan in awhile, our thoughts and prayers go out to her family.*

“ *Today will be a very hard day... Today will be a very special day...*

As you listen to the music that brings a lump to your throat, as you are treated to the remembrances that bring a tear to your eye, as you look at the flowers that remind you of the renewal of life, as you glimpse ahead to the days that will seem emptier without Jan;

We pray you will also recall memories that will flood your soul with love, hear others thoughts that will swell your heart with pride, find reasons to replace grief at her passing with joy for her life and all that she meant to you, gave to you, shared with you, leaves with you.

Our condolences to Wayne, Ms. Dorothy and her family, and especially the 3 generations of Jan's children that called her "Mom", "Grandma" & "Great-Granny"; Her lifeblood and legacy that she loved so much and left too soon!

Only our best wishes as we care so much for you too -

“ *What can I say. A friend for life and even after. From grade school through high school and the Dairy Queen for five years with her mom and dad. Weddings, births, illnesses and deaths, we went through all of them together.*

There is a hole in my heart that can never be filled until later. I know she is in a happy place with her dad and Mike. I want all of you to know that I am here should you ever need me. I don't know what else to say except God Bless.

“ I have many memories of Jan from my youth into my early 20's. Unfortunately life had us drift apart. I loved getting updates from my parents about her and Wayne. I grew up with her as my neighbor. She was a loving and kind woman who always had her door open for us. She was at that time an amazing hair dresser and did my hair for years. After I got married and moved away I would drive for hours for her to do my hair and to catch up on the going ons of our lives. The True family has a special place in my heart. I am just happy that she can be with Mike again. He and I were very close in high school. I am sure she will be smiling down on her family through out this difficult time for them.

“ I will always remember the time that we came to visit the family in Washington when I was a teenager. When we pulled up, Aunt Janice and Aunt Billie were pretending to be passed out drunk on the lawn, with non-alcoholic beers in hand. If you know my mother, Linda, you will understand why this is hilarious. I am sure it was Jan's idea!

“ I had taken Jan to a doctors appointment in Spokane in the afternoon and my daughter was getting home that evening, flying into the Spokane airport so she was willing to hang out with me and wait. We got back to Moses Lake late that night and dropped off my daughter and then headed to take her home. Problem was that her housing has a fence around it and the drive through gate was locked for the night and needed to be opened with a security code, she couldn't remember what it was and Wayne was out of town. There was a walk in gate that was open so we got out her wheel chair and I pushed her form the gate to her home. It was dark and cold and I needed to pee so I was trying to push her as fast as I could. If anyone has seen us they would have thought we were crazy. We were laughing so hard by the time we got to her house I wasn't sure I would make it into the bathroom. I always had a great day when I spent it with her. I am thankful to have called her my friend. Tell we meet again, I love you Jan.
