“ I had the priveledge of growing up with Janis and enjoying her sister-like friendship. She was also a bridesmaid at my [first] marriage.

Oh, the stories we could tell about our precious time together ... with and without our brothers; cutting each other's hair, daily walks to and from the bus; camping; trying to teach her to ski ... Oh, my friend; you will ALWAYS live in my heart. I live you dearly.##imported-begin##Marti Conger##imported-end##
