“ Dear Jerry and Family:

I know that God loves each of you deeply, because He has been bringing your family to me over and over again to support all of you in prayer. There has been, and will be, MUCH prayer on your behalf.

In the Old Testament, God states that He is near to the broken hearted. My prayer is that you will all let Him be near to you, and seek Him with all your heart, letting Him cover you under His wings of protection in this fiercest of storms.

In the New Testament, Jesus told those who loved Him, "I will never leave you nor forsake you." I know from personal experience in the deepest of heartaches that both of these communications from God are true and faithful. And God Himself was known as "a man of sorrows, and acquainted with grief." If you know Him, He is interceding on your behalf even now.

I love you, Dear Ones. I will continue to pray on your behalf.

I and my family also willing to help in any way possible, should you permit us to do so. My cell phone number is (509) 398-3425.
