

Jaylynn Ramonita Reyes

February 20, 2000 - March 1, 2021

Jaylynn Ramonita Reyes-Bonner residing in Rugby, ND and originally from Moses Lake, WA passed away Monday, March 1, 2021 tragically and unexpectedly at the much too early age of 21. Having been born to William Reyes and Stephanie Lynn Watkins on February 20, 2000 at the University of Washington hospital in Seattle, WA. She had just barely turned 21 about a week prior. She was a daughter, granddaughter, sister, aunt, niece, and friend to many. She is survived by her father, William Reyes; her mother, Stephanie Lynn Watkins; her step-father Christopher Caley; her brothers, Kolby Zamora, B.J. Reyes, and Anthony Reyes; her sisters Adrianna Gonzales and Lauren Reyes-Bonner; her brother-in-law, Mike Gonzales; her sister-in-law Gerry Mae Quick; her nieces, Kya Zamora, Mia Reyes, Caprice Gonzales; her nephews, Omar Alvarado, Michael Gonzales, Nathaniel Gonzales, J. J. Gonzales and Mario Gonzales. Jaylynn was also loved and adopted by Paul and Kayloni Bonner as well as survived by her brother Branson Bonner and sisters Sienna Bonner, Selah Bonner, Marielle Bonner, Elena Sichkar-Bonner and Tanya Sichkar-Bonner. She is also survived by her uncle and aunt, David and Stacy Watkins; her aunt Chris Diaz; her uncle and aunt, Carl and Kathy Lyons; cousins, Kendra Rae Cole, Cayla Watkins, Angela McCollough, Dustin Lyons and Carlee Holden; her great niece, Rosie Alvarado whom ironically looks just like Jaylynn did at that age. She is survived by way too many friends to list but I know she would want me to mention Kristina Wood and Dylan Moon. She was loved by so many people and touched the hearts of way too many to list.

She will truly be missed and never forgotten.

Services will be held at Kayser's Chapel of Memories on Wednesday, March 10, 2021. *Jaylynn, we all have so many unanswered questions for you. You truly were the light in my life it, it was a privilege to call you my best friend. I've been your best friend longer than I've been alive on this earth. Now my guardian angel. I speak to you everyday. I think about you 24/7. You have so many people that are so excited to see you again in the waking life. I know you're up there watching over your siblings, your parents, me, and everyone else. The sky looks different now that you're up there.
Oh what I'd do to hear your laugh one last time.*

“ *She was always so bubbly and bright. We always had deep conversations about life, family, and ourselves. I'll miss those talks for sure. Even at her lowest she was always laughing and making sure others had a good time. Her laugh and smile will be missed forever<3*

“ So many great memories. Catching fish, riding 4 wheelers, teaching her to drive, boating, and mostly joking around. She knew how to have a good time and I am proud to have had the blessing of calling her my daughter. I will forever treasure the good the times we had as my way of softening the pain of losing her.

“ It's been years since I've seen Jaylynn. Maybe 10 or more years. Jaylynn and her cousin Cayla came out to her older cousin's, Angela's, to ride horses. As you can imagine, there was a lot of laughing and tons of smiles! And what a beautiful smile Jaylynn had.... My heart cries out for everyone who's hurting, who loves Jaylynn, especially her mama... but I know that Jaylynn is okay. She is at home with our loving Savior, and that must be glorious! I know that her Mimi is there, listening to her stories, hanging on every word, and holding her close. I imagine that there's a lot of laughter, and happy tears..... And this is what we hold on to! Faith! Trusting in the Lord! It's not goodbye baby girl,,,,, it's see you later... And when I do, I want to hear all of your stories too....
Much Love,,,,,
Aunt Kathy
