“ Jean, Betty and my mom Darlene taught me how to throw a bowling ball down the alley without going in the gutter. Believe me we had many laughs on that one. She was always very kind and caring to me. She was a true friend to my mom and for that I will always be grateful. I'll miss you Jean. Thanks for the memories.

“ Thank you for all good memories that I have and cherish! You were there when I needed someone to talk to and share the good and bad times, sad and happy times. We seemed to have similar problems and thoughts. I will miss you. But you are now in Gods hands and care.

“ A memory of Jean Annabelle Webster and myself - We lived at Manito Garden apartments in Spokane, WA. There were three of us that did many things together! One of my more personal and special memories with her were whenever Jean was planning a trip to visit her family in Warden, WA. She offered to take me to visit my family in Othello, WA, it saved me a bus trip! Thanks Jean and family!
