Moses Lake long time resident Jeffrey Lee Ragan lived a life of many accomplishments and adventures. This traveling formed a bond between Jeff, his brother Kim, sister Jackie, cousins Brock, Mitch, Robin and Randi that could never be broken. Mother of this close family is Belva Fae Ragan who was the backbone of the family that kept them all healthy and happy. When the family settled back in Moses Lake to grow their permanent residence, Jeff attended Moses Lake High school, where he excelled in academics and swam for the Maneray aquatics swim team. Jeff held the record for over 20 years in butterfly stroke at the aquatics center. After high school Jeff began an apprenticeship at Moses Lake sheet metal where he eventually gained employment working alongside his father for several years. Jeff Ragan was a man of many talents and enjoyed many exciting hobbies. His patriotism was strong because he loved his Country through and through. Jeff loved military air planes, motor cycles and swimming competitively. Motocross ran in Jeff's blood, dirt bikes were his life and his love. He raced dirt bikes competitively in his younger years, then went on to put on motocross races here in Moses Lake. He attended Washugal supercross every year for over 30 years.

“Goon Man”, only from the heart. I was hoping to see you again Jeff Ragan gonna say ill miss you, already was. I believe your friends are a picture into your soul and if you didn't know you must be told, even now, you were loved. By some of the best . I can talk about stupid shit, all day, and still miss all the things I remember about being with you. I promise not to tell your Mom about that trip to Rainier and Washougal . I am honored to have you and all your family in my memories. I love you. May God take you and hold you now and forever.... ride on.

“ Still in shock! Jeff was one of the most talented friends I had. He will be greatly missed! I had many GREAT MEMORIES with him. Washougal trips were amazing with him, it was like I knew all the riders. Super cross, Wilson Creek, Mission Ridge we had many great skiing trips-riding the chair lift with him was an adventure in it self, I couldn't keep up! Jack will be with Jeff again and enjoy every moment.

We will miss you - Goon Man! See you in heaven some day.

With lots of Love to the Ragan clan!
