

## Jennie Salinas

December 15, 1966 - October 13, 2018

### Jennie J. Salinas

Jennie was born December 15th 1966 to Robert D Taft and Juanita J Taft in Quincy Washington. She passed away October 13th 2018, surrounded by her husband and her children at home in Warden.

Jennie's greatest love was her family, she enjoyed getting together for big family dinners. Her grandkids were the light of her life and she could never have spent enough time with them, spoiling her grandkids was her favorite thing to do. She enjoyed crocheting blankets for each of her grand kids and loved to go out camping with her family.

Jennie was a people person and loved helping those who she could; she had worked for MACC dispatch for 14years so she got really good at helping others. Jennie loved each one of her Officers, Deputies and other first responders from Grant County, the respect she had for these men and women is incomparable.

Jennie was preceded in death by her mother and father, her stepfather Dean, her oldest brother Kenny, her brother in laws John and Robin, her father in law David and her mother in law Myrle.

She is survived by Her husband Eric, her children David(Shambrie), Mitchell(Mercedes), Mariah(Matthew), her six grandkids Steven, Addison, Maverick, Martin, JennieAnne, and Dash, Her youngest brother Marty, her numerous nieces and nephews, numerous half sisters a half brother, numerous friends including Cassi Dalhaug and family, Luisa Rapp and family

and many others who will forever cherish the moments we had with Jennie.

Rest in Peace Momma we love you so very much!!!

Services will be held October 27th, at 1pm at the First Baptist church in Warden, there will be a potluck after the ceremony.

“ *Mommy, I just want you to know how much I loved you. You were my best friend. You were the one I could go to about everything, you saved my relationship with my fiancé, you held our family together, you were the best grandmother towards Dash and your 5 other grandkids. You were their favorite. Mama, you were such an amazing person. You'll live on in our hearts forever and be always. We are going to take care of dad, all the animals. Everything. We love you so much, you were taken to soon, but I can't even explain how happy I am knowing you aren't in any more pain. That is all that's getting me through this. I love you, Heifer ❤️*

*- Love your baby girl, Mariah.*
