“ *I'm so heart broken that you are gone. I miss our chats and watching our children play together. You were truly a rare beautiful person who touched all those around you. You were always so thoughtful. I came across the bath salts you bought me when I was pregnant and cried at how much I'll miss you. Never knew anyone as kind as you and not likely I will again. I know you're now surrounded by love and peace and am happy for you, just wish I could have had more time with you. Love and miss you Jenn.*

“ *I won't forget Jenn. She was a dear friend of mine in The Netherlands when she lived there. Our little boys were two days a part and we had met on a mom's site. She had a big heart. I will miss her.*
