“ I remember when Dawnita and I were 14 years old and Joan did a mayonaise treatment in our hair. We laughed so hard when she put a plastic bag over our heads after applying the mayo LOL. That was the first time anyone ever put mayo in my hair. You will be missed Joan and my thoughts and prayers are with you and the family.

“Joan & I met thru our grandchildren, her Mason & our Scarlett. We would go to the movies the 4 of us & have such wonderful times. Joan & Don came to see my husband Vern & I when we were camped at Pot Holes in our Motor Home. Really enjoyed their visits. And of course we were both on Facebook & shared lots of messages & pictures & thoughts. I am so glad that I got to spend the 2 visits I had with Joan after she was in the hospital, so glad that she knew who I was even tho we had only sent messages over the last year or so. I will cherish her friendship & memory forever. Rest well my Friend.

Your friend always, Kay & family.
