“ *Elida, I am so very sorry. Lord knows you are too young to be a widow, and the girls to be without a daddy. Just know that you have always been in God's hands you and your girls are very well protected by His love. Cling to Jesus during this hard time, only he can alleviate the pain. And know that the love of your life will be awaiting you in heaven to live eternally together. Girls, daddy is in heaven and will always be in your heart.*

Love you
