In Loving Memory of Joey Bernhardt

It is with deep sorrow that we announce the passing of our cherished son and brother, Joey Bernhardt, who left us on September 25th, 2024 at the age of 43. Born on June 22nd, 1981, Joey was a source of boundless joy and inspiration to all who knew him. Joey was special because his heart was pure, untouched by cruelty, and lived a life surrounded by love.

Despite the challenges he faced, Joey lived his life with a spirit of courage and a heart full of love. He found immense happiness in the Golden Arches of McDonalds, Cookies and his loving Mother. His laughter was a melody that brought warmth to our hearts. His gentle nature and unwavering strength taught us the true meaning of resiliency and unconditional love.

Joey is survived by his loving mother Rosario G. Bernhardt and late father Colonel Joe S. Bernhardt, and his brothers, Gene, Sam and Jason. He also leaves behind family and a community of friends, caregivers, and teachers who were deeply touched by his kindness and bright spirit.

A celebration of Joey Bernhardt's life will be held at Our Lady of Fatima Catholic Church, Moses Lake, WA on October 4th, 2024. Viewing at 9:30am, 10am Rosary and 10:30 service begins.

“ I went to school with Joey. I just happened upon the obituary today when looking at Kayser's social media, but when I saw his photo, I felt a twinge of sadness. He was so young. I opened the obituary to read it and found myself smiling, though. What I remember the most about Joey from all those years ago was exactly what his loved ones wrote in there. He was happy and filled with joy. I remember his happy sounds and expressions of excitement very well. He was a treasure. I'm truly sorry for the family's loss of this sweet man. I hope you can take some comfort in the many memories of his joy and glee. Tonight, I'm thinking of you.

“ I am sorry to hear about Joey's passing. I was a caregiver for Joey and always delighted in his sense of humor. He definitely kept me entertained. He will be missed.

“ Both my Mother and I worked in Joey's classes from grade school on into high school and one thing I remember above all else was the absolute joy you'd feel when Joey found something funny or when he was happy. We were both saddened to hear of his passing, but know that he will always live on with us. I'll also always remember how Jason cared about and for his brother. My condolences

“ *I met Joey in August 2003. He was always so joyful. I will never forget we went for a walk and ended up at Goodwill, as soon as he saw a recliner he sat down laughing. I'm so sorry for your loss.*
