

John Clement

February 19, 1948 - May 17, 2015

John Michael Clement, 67, died peacefully at home May 17 with his family in Moses Lake, Washington.

Born February 19, 1948 to John and Joan Clement in Amarillo, Texas, John joined the US Navy to see the world in 1969. Following tours on the USS Kitty Hawk and the USS Nathanael Greene, he continued to serve as an active reservist until his military retirement in 1992.

John married his sweetheart, Cherie, in 1973 in Southern California. There they had three children before finding a second home in Moses Lake in 1990. John had a deep appreciation for the wide open spaces of Central Washington, taking long walks with his dogs while enjoying majestic views of the lake and mountains.

John was revered for his incredible work ethic. For him, missing work was never an option, and providing for family a meaningful calling. For John, second to family came football. One of the first things anyone learned about him was his diehard love of the Dallas Cowboys. He found great joy in rooting for “Da Boys” throughout his life.

He will be missed by the family whose photos adorned his desk his entire career: wife Cherie; son Philip; daughter Teresa Koeppel and her husband Chris; daughter Anna Fink and her husband Cody; and nine siblings. He is reunited with his parents and brother, Billy. In lieu of flowers, the family requests donations be sent to Assured Hospice of Moses Lake.

“ I have had the privilege of working with John for a long time, his attention to detail could drive you crazy but at the end of the day I knew he did everything he could to get what was needed to keep the factory running. I also enjoyed and will miss our yearly fantasy football league and of course a little razzing for being a Cowboys fan. Because of the number of years we worked together I have many wonderful memories of John that will forever be with me, most of all, you always accusing Anthony of cheating on fantasy football every year.

John was already missed the day he decided to retire from work but now even more so. I too am sad for his passing but am also grateful for my faith, knowing that this life on earth is only the beginning.

My deepest condolences to his family, thank you for sharing him with us all of these years.

I love this pic of uncle John... Although I did not know you as well as I wish I could have...I remember all the good times growing up when you would come in to town....You could always light up a room with your smile...Even though it seemed like you had a ton of nieces and nephew's you always loved each one of us unconditionally. You will be truly missed.
