“ Dear Michael, Mashiela, & Duante: our hearts pour out w/the ache of imagining the pain you may be living w/the loss of your gramma. Know that she's only as far as your heart and memory. We pray that you may find peace and that your family find comfort in each other and the Lord. She would have wanted it that way. One day, you'll all be reunited again, until then, live a life of Christ and make her proud. We love you, Michael and you know we're here for you ALWAYS! “ She truly was a blessing! I found my way to her and her husband 17 years ago. She watched my children, and went out of her way to help us and take me under her wing. She was the most thoughtful and kind person. The world was a better place with her in it.##imported-begin##Cathy Lengenfelder##imported-end##
