“ I will miss John Neys. He was a friend of mine.
John was a valued member and officer of the MLRCM club. He gave freely of his time and energy to assist with operation of the club. He recruited new members to the club and helped them to construct and learn to fly model aircraft. He had a very positive outlook and was a "get things done person". The club will miss him.##imported-begin##Jim Tabor (Moses Lake RC Modelers club)##imported-end##

Hi there Louise,

I was wondering if you know if he was buried or cremated. I'm his granddaughter. My mother is Patricia Emerson née Neys. I would love to know. Thank you!
