“ Dear Jones family,

Cody and I were heartsick at the news of Jonathan's death. He was so young, and Jared and Jordan loved him so! He was a handsome and happy young man, and we mourn with you. We think and speak of you often, especially now in your time of such sorrow. The separation will be a temporary one, but it is a separation none the less, and we join you in missing him and waiting to see him again.

Love, Resa Kirkland and Cody Morrow##imported-begin##Resa LaRu Kirkland##imported-end##

“ Our family wants you to know how much we enjoyed the friendship we shared with John. He was such a good friend to my mother, Patty. He drove her to the shelter so she could adopt her puppy, Kona. Then he sent video on his phone so we could see Kona. I am so glad I watched John's performances on youtube. I told John that he was so fortunate to have the talent of a fabulous singing voice. I wish so much my mom and I had seen John sing in a karaoke competition. The last time I texted John, I told him that we would do just that. I know John loved his family - he adored his daughter - and his dog. Please know we truly will miss John and our hearts are aching for you. ##imported-begin##Kathy Moreno##imported-end##

“ My friend, my confidant, my brother... you were an amazing friend. I remember our instant friendship as we both struggled in math class then taking the rest of our classes together. Everything we could do together we would...we were family, NO we ARE family! You took my kids under your wing and became "uncle Johnny". We are all better for having you in our lives the 4 short years we did. You are a beautiful person with a beautiful soul...A perfect Angel. I love you Johnny! I will miss everything about you my brother. Rest well...##imported-begin##Margo Myers##imported-end##

“ Jonny, how I loved to hear you sing! Your country voice with a beautiful soulful sound. El Paso City was my very favorite! You knew that. You'd roll your eyes when I'd ask if you could sing it for me each time I saw you, and your ever changing your mind as to which song you wanted to sing... The contest you entered but couldn't continue because of work.... So many memories, our talks, our music. I will miss you my friend, I will remember you!##imported-begin##Joey Clark##imported-end##
