“ Grandpa Joe, you were the funniest guy I had ever met as a kid. You could make everyone in the room laugh and forget what we were supposed to be doing. You told stories like a master and had a way of convincing us that McDonald's was actually good for us. Your routines became our routines simply because we wanted to be around you. You're the toughest "old guy" I've known and we're thankful for the memories. Your struggle is over and we're comforted knowing that you are at peace.

“ I will miss you a lot Grandpa Joe. My birthday will never be the same without you Grandpa Joe. I will always remember you saying that you want to go to college with me and I am sad that it will never happen. I have so many memories with you and my life will never be the same without you.

“ Love and miss you grandpa. I'm so glad Tatum got to play catch with you this summer. He still asks to go to papa Joe's house. I love that he got to make memories there with you like we did when we were all little. We all miss and love you. I know you you'll always watch over us.

“ May your spirit be guided through heavenly light. Mi abuelo, I love you, I'm going to miss you but you will be forever in my heart. I still remember all the ghost stories you use to share with me along with your other grandchildren. Your a very special man that holds a very special place in all the hearts you have came across... the memories you gave me will always be cherished.

“ I'm going to miss you so much Grandpa Joe 💕💕 This summer has been one of the best and I'm so glad I got to spend it with you. Loved hearing all your stories growing up & going to breakfast in the mornings at McDonald's. It won't be the same in Moses Lake without you.

Love Always,
Sasha
