“ Jose sold me my first gun, which I still have. We had many conversations about guns, silver, and military. I would tease him in front of his dad, who thought that was funny so we would hang up on Jose. Who promptly told us to shut up. Jose was always there for me to talk with and was a great friend. I am broken hearted over his passing and miss his companionship.

“ I've known Jose for many years. He was an absolute character and I adored him. Probably my husbands best friend here in Moses. I miss him and hope his family's sorrow is softened by memories.

“ I can't believe that He passed away or unaware when or how ? We spent some of our lives around each other , and with each other . We both had same illness of the. D word ( Diabetic) . He was living , kind hearted and loyal to all who knew him . We grew apart as close friends but always kept in touch . RIP Jose , the Big guy in the sky will watch over you Forever!
