I am a Moses lake local Genealogist. While going through a local junk shop I came across some old slides. One box happens to contain wedding pictures of your mum and dad. I have been scanning them and I would love to return them if you are interested or a digital copy of all of them.

“ I had the privilege to know Joyce, and will forever treasure our time together. She had a deep love for the Glenn Miller Band and vanilla ice-cream and her personality was the spark that would light up any room.
