

Juan Carlos Moncada

November 10, 1960 - July 9, 2021

Juan Carlos Moncada, 60, of Moses Lake, WA died unexpectedly at home July 9th, 2021.

Juan was born in Crystal City, Texas on November 10th, 1960. He was an always present big brother to his five siblings and their spouses and a very involved uncle with his nieces and nephews. He had a love of music, was an avid musician, computer enthusiast, and was able to fix most anything. He performed in several bands as lead guitarist throughout his life, but mostly remembered as the lead guitarist for The Waylights (Sueno). He worked in Quincy for many years with Jones Produce. He selflessly cared for both of his parents when they needed the help the most. Most recently he worked for the Othello School District and took great pride in his work there.

Juan is survived by his sisters; Genoveva Moncada Varela, Mary Guadalupe Moncada, and brothers Margarito Moncada Jr., Daniel Moncada, and Gerardo Moncada. He was also lucky to have many cousins, aunts, and uncles nearby over the years. He was preceded in death by his parents, Margarito Moncada, Sr. and Elida Moncada.

At his request no service will be held. Juan hoped friends and family would remember who he was and not the later years with his lung cancer battle. He chose to be quiet, humble, and pushed through with his illness. He is now in his Mothers' and Fathers' arms and will never be forgotten by his brothers and sisters.

“ *My Mano we had our differences but we had much love. We also had another love in common...we both loved music! Many times I would be working on our garden and my brother would sit in his patio chair play his guitar or his harmonica. He was a phenom! We both loved rock and roll, metal and of course our roots Música Mexicana. He was a simple man, no fuss man but those of you that had the pleasure of taking music lessons from him know he was opening his heart and soul to you and teaching you the very best of his gift. I had hoped to hear him play one last time.... I, the baby of 6. Him the first, the top teacher. This lesson? mom and dad gone. All we have is each other. Blood is the tie that binds us. Friends will come and go. But “US” we are brothers and sisters forever! I will miss my brother, he’s with mom and dad , healthy and JAMMIN OUT! RIP Mano Love you, miss you and thank you for being my big brother!*

“ *Dear Moncada Family,*

I was so lucky as a teacher to have Juan (and his brother Margarito, too) as a student when we were both at Lakeview Elementary. I remember he always had a shy smile on his face, a quick laugh, and kind words for all of his classmates. I can only imagine how much you all miss him and am deeply sorry for your loss.

*Most sincerely,
Bev. Moore*
