“ First and foremost, my and my family's condolences to Angie and the Family. My family is heartbroken for you all. I'm saddened by the passing of our sweet friend "Nana".

My greatest memory of her is when she'd call me in the lab to go help her walk on icy parking lot. Always brings a smile to my face when winter comes around. She will be missed greatly. Love to all.

Her soul could always light up a room and that is how I will always remember her. She was always caring to others.

And I know she will always be with those she loved so dear.

You can't replace her genuinity.

Hugs to you all.
