“ I will always remember our childhood playing in the orchard and the vineyard at Grandpa Johnsons in Pasco. Your smile was infectious. I will always be grateful to you for introducing me to genealogy. We were able to learn about our relatives that we were never able to meet. Juanita you will always be in my memories and my prayers. Thank you for giving me such wonderful memories.

“ You will be very missed. I always enjoyed our chats when we did get to see one another. You checked in with me on Facebook from time to time and I got to know you much better in my adult life. You always spoke of your Grandkids and how proud of them you were. You were very forgiving and non judgmental you loved all of us flaws and all. We had. Great time when you and Aaron came for a visit we took you to Edgefeild where we shared some good wine and great laughs. It was a beautiful day. I know you and Marvin and grandpa aunt Tammy and your brother and many others we lost are celebrating together ❤️
