“*Juanita was a customer of mine at Moore Furniture. She was always so nice to work with and I always appreciated that she put her trust in me when it came to her home furnishings purchases. It didn't matter if she was having a bad day, she always had a smile on her face. I will miss her laughter and that smile! My prayers go out to the family. She was a great lady and had a great life. She will be missed. - Kelly Moore*
