“ Nita was my cousin, 5 months older. We had a lot of fun when we were young. We lived 65 miles apart and got to ride the train to visit each other. Our families spent many holidays together. We last visited when she was in Kalispell to take care of her mom for a week in 2005, I think. We spent the afternoon together with her mother. I know she was happy in Moses Lake and proud of her family. Love you, Donna###imported-begin##Donna Sederdahl Gentry###imported-end##
