

Judith Ann Grable

September 22, 1939 - June 20, 2023

Judith (Judy) Ann Grable passed peacefully on June 20th 2023 at Virginia Mason Medical Facility in Seattle, WA. Judy was born September 22nd 1939 in Madison, Wisconsin to Almon and Agnes Osgood. She spent most of her childhood helping her family shop keep up with business. Throughout her youth Judy had always been a helping hand to everyone in need. She was a very independent woman until she met Oscar. They wed October 31st 1959 and she became a homemaker. Oscar worked for the IBEW which in turn meant they traveled frequently for his job. They welcomed 3 children throughout their travels, Mary, Charles and, Ann. They finally settled down in Moses Lake, WA in 1984. She especially enjoyed spending her days baking, reading, watching her T.V. shows, volunteering at the local food bank, meeting friends for lunch or coffee and, spending time with her family. Judy is survived by her two daughters (Mary and Ann) as well as her 4 grandchildren (Shannon, Shawn, Jazzmen, Sjuana) and the multiple great grandchildren she was blessed with. She predeceased death by her parents (Almon and Agnes), siblings (Alan, Dottie and, Richard) husband Oscar and son Charles. A viewing and funeral will not be held as she wished. The family will instead hold a celebration of life on her birthday with more information to come. Judy was a mentor and one phenomenal woman; her quick witty jokes and bright energy will be so missed.
