

## Judith A. Starkey

June 15, 1942 - April 1, 2012

Judith Ann Starkey, 69, a resident of Warden and formerly of Mount Lake Terrace was welcomed into Heaven on Sunday, April 1, 2012. Judith was born on June 15, 1942 in Seattle, Washington, daughter of the late Robert and Agnes Rawlins. She and her husband, Byron, moved to Warden from Mount Lake Terrace four years ago. They were members of the Lake Valley Baptist Church, Pastor Albey Horat. She was a homemaker in the truest sense and loved raising her family including her grandchildren, Christina and Dylan. She was the rock and heart of the family. She was an avid letter writer and those letters will be sorely missed.

Judith is survived by her husband, Byron; 5 children, John, Marie, Connie, Christine and Brenda; 5 step-children, Tammy, Tari, Christy, Rick and Darwin; 13 grandchildren and one great grandson; also by an older sister Mary Kay and twin Joanne.

She was preceded in death by her first husband, Dale Robert Russell, the father of her five children.

She loved spoiling her children and grandchildren and will be greatly missed by all who knew her.

“ Happy Easter MOM,

Mom you will be forever missed. I will always have a spot in my heart for you. You will be greatly missed. I will really miss the cards in the mail and the long conversations that we shared on the phone. I have always been very proud to have you as my MOM. May you rest in peace and find comfort and joy with DAD. I know you to will watch over all of us. You look so BEAUTIFUL on your day of going home to your heavenly father. “ Aunt Judy will always be in my heart, not only was she my favorite aunt she was also my Godmother. I fondly remember spending time at her house with my sisters and all of my cousins when we were younger. I remember Aunt Judy and my Mom ( your Aunt Kay) would play Canasta in the backyard while us kids ran around the neighborhood, and we would walk to the little store down the street to buy penny candy. We all played at the park behind the duplex where you lived. Those are very special memories for me Aunt Judy used to make ceramics when we were kids and I can say that I still have the two pieces that she made for me so long ago. I have some pictures of all of us way back then and I would like to share them with you.

I regret that I was not able to attend the service, I am sure Aunt Judy was smiling down on everyone, all of you gathered together after so many years apart. I wish I could have been there to see everyone. My prayers are with you all.##imported-begin##Jackie Farrell Smith##imported-end##
