“ Aww, Mrs. Kemmer was such a sweetheart!! My brother and I took care of her car for years. Whenever going to her house to pick her car up for service we would always have a nice visit. Loved stopping at the Hospital gift shop for a visit also. She will be dearly missed!!

“ Sweet Julia Kemmer! I loved working with her for many years at Samaritan Healthcare, where she was a faithful volunteer. She was an expert at customer service in the gift shop where she worked. I loved the many visits we had and the bond that grew over the years. She was one in a million!
