“ Mom-

There aren't words to tell you how much I love you and how much I miss you. You were my idol and my role model, and I'm constantly remembering your laugh and the times we spent just goofing off. I wish that you hadn't been taken from this world so young, but I know that you aren't suffering and I know that you're in heaven gardening and getting dog piled with all of our pets.

You've inspired me to be great, you were always there to listen and to give advice, and you were my best friend. I miss you so much, I long for words of wisdom, to hear you laugh, or just to get one more hug. Please watch over Dad and I, and know that we both love you so so so much.

I know you're here still in spirit.##imported-begin##Amanda##imported-end##
