“ I'm so sorry I could not travel to Moses Lake to join your family in the tribute to June. The weather has just not been very cooperative. I hope that you both may soon treasure the memories that you have shared with her. She was so fortunate to have such loving daughters and grandchildren. You simply could not have done more for her these past few years and I hope you can find comfort in that. Please know how much I love you both and have thought of you so very often this last week. Hope to see you both soon.

“ Sherry and Diane, Although I can't be with you in person to honor your Mom, I will be with you in spirit and in my heart. So very hard to lose your Mom. I hope you find comfort that your Mom is in a better place and no more suffering. So glad we visited with her a few years back. Like you gals she was apart of our childhood. I have caught a bug and can't expose anyone. I am sending all my love to you and your families. May God comfort you in your time of need. Big hugs to you both, Jana
