“ Our hearts and deepest condolences go out to Dennis, Brian, Jennifer, and the entire family. Karla's infectious laughter and warm spirit touched so many. Tim and I were fortunate to attend many a "Fry & McDaniel" gatherings on the property located on the Skagit river in Concrete, Washington. Tim will always remember both Karla and Tracy like big sisters as they lived almost side by side in the town of Pacific not to mention the many family vacations together in Twin Harbors, Washington. May God bless the family in their time of grief.

“ My aunt Karla was the nicest aunt I remember a lot of things that involved her in my childhood but one thing that I always loved was going over to her house and swimming with her and then going in the house for snacks and to play with her animals I loved when she let me hold her chinchilla. I love you aunt Karla I will miss you. Please give grandma Georgia and Uncle Cliff, Aunt Alice and Aunt Tracey a big hug and kiss for me. Love you
