

Kathleen Powell Rodriguez

May 26, 2024

Kathleen (Kathy) Powell Rodriguez, passed away at her home on May 26, 2024.

She graduated from Grandview High School. She loved working around the farm and enjoyed raising and working with horses. She served as a 4-H Leader for many years, spending many weekends at horse show events with her kids. She loved participating and was involved in playing volleyball and other events with her children. She was a Grandview School Bus driver for several years as well as People for People in Moses Lake.

She and Reuben shared a life together in Moses Lake for forty years, owning and operating a heating and air-conditioning business. She worked as the office manager until a few years ago, but always enjoyed her customers, as well as the many lifelong friends. She has a love for the beach, especially Lincoln City. When asked why, she stated that's where her family went when she was young. She sought to pass on that love on to the rest of her family. She loved to watch the water and put her feet in the sand. We all have appreciated those memories over the years.

She is survived by her loving husband Reuben, children Julie (Doug), Jann, and Jill (Mike) and numerous grandchildren and great grandchildren. Special thanks to Roxie, Lori, Margaret and Ray.

She is preceded in death by her parents, R.E. and Juanita Powell, sister, Peggy Sanders, brothers Mike Hoyt and Richard Powell and daughter-in-law Connie Bailey.

She will be missed by everyone who knew and loved her. Thanks, Mom, for always being yourself and telling it like it is no matter what!

A Remembrance Service will be held at a later time.

“ I met Kathy and Ruben years ago when I was still working at my family’s restaurant (taco shop). They would come in and eat quite often and every time we would be talking for just about the entire time they were there. Kathy always had a bit of advice for me every time I saw her. And I am extremely grateful for her words of wisdom. I took each word with seriousness and grace. When I left my job at the restaurant a couple years ago I immediately looked up the information to their business in hopes to stop by and say hi or so I could at least drop off a card or something but life happened faster than I expected and I never did. But I never stopped thinking about them. And I will forever cherish what time I did get to share with them two. My condolences and prayers go out to Ruben and Kathy’s families. My name is Stephanie.
