“ So many memories. Here is one she loved to share... When I was a teenager, maybe just 13 or so, my best friend Stacey and I were at twin lakes in a tent camping out front of my parents cabin. There had been talks about a bear in camp all day so we were a bit nervous anyway. But mom and dad were sitting on the porch talking and Stacey and I were in the tent talking. Next hug. We know the tent is shaking and mom and dad are yelling bear! Me and Stacey bolted out of that tent and into the cabin to hide! I ran all the way around and up the stairs and Stacey cleared the banister. Never heard my parents laugh so hard in my life. ❤️
