

Kathleen K. Horst

August 30, 1958 - March 29, 2012

Kathleen K (Wagner) Horst, our beautiful, kind and caring, wife, mother, grandmother, and friend, was welcomed into heaven on Thursday, March 29th 2012. Kathy was born on August 30, 1958 in Snoqualmie Washington, to Dean and Gretchen "Sandy" Wagner. Kathy lived in Spokane, Washington until moving to Moses Lake Washington in 1966, where she graduated from the Moses Lake High School.

Kathy was with her husband, Mike Horst for over 30 years. Together they raised two sons Aaron Klingemann and Robert Horst. Kathy worked as a Certified Nursing Assistant for over 35 years in the basin. She cared for and touched many people's lives. The people Kathy cared for often described their care as the best care they had ever received. Kathy's heart was warm and caring towards others in need. In fact, others people's needs tended to take priority over her own. In her spare time Kathy enjoyed reading, crocheting, spending time with her family, and going to their property at Lake Roosevelt in Lincoln Washington.

Kathy is survived by her husband; Mike Horst; Brother Phil Wagner; Sons Aaron (Alicia) Klingemann and Robert Horst; Grandchildren; Kelsie Klingemann and Wyatt Horst. Along with many close family members and friends. Kathy was preceded in death by her parents Dean and Gretchen "Sandy" Wagner.

A memorial service will be held at 10:30 a.m., Saturday, April 7, 2012 at Kayser's Chapel . A luncheon will follow at 12:00 p.m. at the Horst Family

home, 10779 Grace Loop NE, Moses Lake, Washington 98837. Please sign the online guestbook or leave a note for the family at www.kayserschapel.com

“ My dear friend Kathy will be missed greatly. She was an angel. I remember being in the hospital, and after surgery I was hurting and felt alone, and in came Kathy with her smile and hugs. Kathy and I worked together at Payless Drug store in the 80's, and we also worked together at Lakeridge. What a dear, precious lady. Love you Kathy.##imported-begin##Pam Leonard##imported-end##

“ This world has lost an angel. Kathy took care of my mom when we finally had to take her out of her home, and put her in assisted living. Kathy always had a smile and something positive to say. She was a fantastic caregiver and anyone who had the opportunity to know her, was very lucky. I have known Kathy for years through mutual friends, and she was always so nice and friendly. Thank you Kathy, for all that you did for so many people. You will be missed.

“ Our condolences to the Horst Family. Kathy was an awesome lady.

Despite her fragile appearance, she was very strong. She was the "Mother" at work. Always bringing snacks & treats. Kathy dedication to others was unmatched. She was adored by her co-workers and patients alike. We will miss her, but knowing that her suffering is at an end brings solace. Prayers for the family and loved ones she has left behind. “ I had the honor of being a patient of Kathy's 2 years ago. She was so caring and attentive, and as I jokingly said, "K K, you take better care of me than my Mom did". She loved caring for her family and was equally kind to complete strangers. It wasn't just a job with her. She really loved her patients. Kathy leaves behind a wonderful family, and a lot of loving friends. It has been my privilege to know her. She has left us too soon, but is now with those that have also gone home. My heart is with your family..###imported-begin##Jennie Foster###imported-end##

“ Oh my, what a loss to Kathy's family and this community. I first met Kathy while playing music at Maple Ridge. I observed how she handled the patients with such loving care.

And the next time I saw her was when she was working at Samaritan and she took such special care of John, calling him by his first name when she first saw him admitted to the floor where she was working.

My heart goes out to her family. God bless all of you as you go through this sad time of your lives.##imported-begin##John and Genie Wehling##imported-end##

“ I met Kathy when I took care of her father and she was working at Lakeridge. I brought BBCC NAC Students to the facility. I would place them with Kathy because she was so genuinely kind and so good with her patients and taught by example to the students, who really appreciated her. I worked with Kathy at Samaritan and what a joy it was to work with her. Kathy's spirit shined through in all she did and all she was and now will shine with no hinderances or cares, ever brighter. Her laugh would make me laugh, her spirit lifted whomever she was around. I look forward to the day we can laugh together once more. “ Kathy will be well remembered. I have seldom known anyone so positive. She worked with us at Samaritan and gave her all every day she was here. Even when I saw her last in a hospital bed about a week ago she was wishing she could be a work. What a BLESSING to have known such a great LADY. God Bless you as I know families mold and support such behavior. Lovingly, Kathryn###imported-begin##Kathryn Trumbull###imported-end##

“ Aaron,Bobby and family. I am so sorry to hear about Kathy,It's not easy lossing a loved one, especially one of our parents but we never want to see them in pain.Kathy always had a smile on her face no matter how tough her day was. Although i did not work with her we spent many breaks and lunches together, and most of that time we spent talking about our grandkids,I do beleive she loved them more than life itself. She was a good friend and i will miss her,We will all heal in time but for Kathy she is in peace now and pain free.. Rest my friend.. Pam###imported-begin##Pam Hastings###imported-end##

“ My heart is saddened as I read about Kathy in the paper tonight. Kathy always had a smile on her face. She was a joy to work with and deeply cared for every patient she took care of. I will miss you and look to you as an example to be kind to everyone, work hard and face adversity with a smile and a good sense of humor. I know you are home now and won't suffer anymore. I will miss you Kathy.###imported-begin##Melanie Moody###imported-end##

“ Kathy's family, I know words cannt take the pain of losing her away, The last time I saw kathy she was elling me she was stable and planned on staying that way. Her family was so important to her and she was so proud of her boys. After Jeanette passed away Kathy called my mom quite often, I think it gave them both comfort. May you all find comfort in the memories you share of her, donna Anderson, Ans and willard Shults###imported-begin##Donna Anderson###imported-end##

“ I feel both pain and relief for our mother. KK was one of the nicest most gracious people i've known. My heart aches that I've lost my second mother, but my heart sings that she doesn't have to suffer any longer. She is looking down with Grandpa Dean and Hooch pain free now and watching over us all. I am thankful we were able to gather as a family and see her on tuesday when she looked and felt good. I will do as you asked of me and take care of dad. I love you, Bob###imported-begin##Bob Horst###imported-end##

“ *Kathy was known around work as someone that had a great attitude and was always smiling. Even during tough times, she was smiling and uplifting to all of us! Kathy was always making blankets and wash cloths for the American Cancer Society bake sales and I truly appreciated all of her support in battling this terrible disease! She will be deeply missed by everyone she touched. I pray that her family be touched by God and comforted in the knowledge that you will all meet again some day.*
