“ I met my friend Kay when the family moved to the farm across from ours. I was riding my horse and she stopped to visit and we became friends. We were 4-H leaders together, our kids were friends.. If she was your friend, you became family. There was many New Year's Eve parties, summer BBQ's and just hanging out time. Lanny, Marissa, Katie and grand babies and relatives, I am sorry for your loss. I guess God needed another Angel. I miss her ear that she lent to me many times to listen to my problems, her shoulder that I cried on many times and her arms that always gave me that hug - all will be fine. Rest in peace my friend
