“ I was one of Keith's nurses at Lakeridge. I'm so sorry for your loss. My dad passed away at Columbia Crest the same day as Keith, so I empathize with his family. My love and prayers go to you Rhonda, Karen, Brian and the rest of your family during this time. It gives me comfort to know that they are not broken and suffering anymore. I am glad that I was able to be there to help and comfort Keith at the end of his journey, and know that his new journey is to a wonderful place full of His love and peace. God Bless
