“ RIP Kelly! Most of my memories of Kelly are not of Kelly alone but of both Kelly and Vicky. In fact I myself have never seen one without the other. When referring to either of them, it was always Kelly and Vicky. I always admired the two of you and your love for each other. Your love for each other was undeniable, beautiful, the kind you do not see very often. True Soul Mates!

My condolences to Kelly's family and loved ones.

To Vicky. You will be in my thoughts and prayers will be with and for you.

With love and prayers
