

Kelsey LaDonna Newton-Hutchins

May 11, 1990 - March 28, 2023

Kelsey LaDonna Newton-Hutchins {32} went to be with our Lord and savior on March 28th 2023 in her home in Moses Lake, WA.

Kelsey was born on May 11th, 1990 in Renton WA to Kathy and Mike.

Followed by her Baby sister, KayLa Marie, 2 and a half years later. She loved taking care of others and it started the moment her baby sister came home.

One teacher writing in 2003, "I want you to know that you have raised a very thoughtful daughter, and her desire to help others will bring her far in life." She was as beautiful on the inside as she was on the outside. If anyone needed anything, if it was in her power, she would do it. She was very fun to be around and wanted everyone to be happy. Growing up in Covington, WA, she played soccer from the time she was 6 and continued through high school. This took us to many tournaments in the US and Canada. She also loved swimming, diving, biking, hiking, dancing, animals, and just being around people.

Kelsey grew up in the Christian faith and loved our Lord and Savior. Her favorite verse was the 23rd Psalms which she had tattooed on her body. She loved to attend Christian horse camp as well as mother daughter camp. She had two encounters with God in her short life and now she has gone home to be with Him. We now have the most beautiful guardian angel watching over us until we meet again.

Kelsey was more than a daughter, a sister, and a wife. She was a first born child who was her mother's first taste of true happiness and unconditional

love. She was her little sister's best friend and role model, and her husband's soul-mate; her forever-person. She is survived by her loving husband Joshua Hutchins of Idaho, Her Momma and Dad, Kathy and Jeffrey Keefe, her best friend and sister KayLa Newton and Klyde, her father and mom Mike and Sue Newton, her brothers Alex and AJ, her sisters Leslie and Wendy as well as many loving Aunts, Uncles, cousins and friends.

A celebration of her life will be held on May 11th at Lake City Foursquare church. 333 N Central Dr Moses Lake, WA at 1pm. This will be a casual event followed by a pot luck, birthday cake and refreshments.

We would like to thank everyone who graciously poured out their love and prayers. She felt them and so did we. Until we meet again my darling girl, Momma will miss you.

I never got the chance to know Kelsey as an adult. One of the memories I do have with her is when my aunt Sue my Uncle Mike my dad me and my brother Kayla and Kelsey went to the San Juan Islands. We had fun together taking a paddle boat out hiking and simply enjoying the time we had together with our family. Her soul was just as beautiful as her physical appearance. She had a beautiful contagious smile that would melt anyone's heart. Wish I knew her more . Rest peacefully Young lady you deserve some peace and contentment. Forever remembering her name
