“ Our world is less bright without your light, I miss your tender heart, kind smile, and strong constant encouragement. I am heartened to know that you are watching over us until we meet again. You made a difference to many and I so love and respect you. Rest in peace, daddy.

*What a truly amazing man Kenny was. My heart is so grateful that we were neighbors for so many years and remained close to Kenny and Jan through the years. They were a incredible couple who raised 5 wonderful kids. All my love and condolences to Jan and family. I will always cherish his kindness, wonderful laugh and the best hugs ever. RIP Kenny, I loved you!!*
