“ Kevin was a good friend of mine back in Jr. High-High School. I suppose we were a bit mischievous a time or two back then but Kevin's heart was always in the right place. It's good to see the great comments about him as an adult. I can see that heart took him on a path where he cared for the land, wildlife, and especially those near and dear to him. God's Peace to you, Kevin, and the rest of your family.##imported-begin##Tim Logan##imported-end##

“ I would like to take this moment to share a couple of words, of what I remembered of my friend Kevin. He was a great guy,friendly,sweet and loving. I remember kevin because I was a neighbor of his on the base. There would be times where I would go over and visit with him, to see what he would be up to. Kevin would either be outside working on his car, relaxing, kicking back with friends in the garage or listening to music, especially that vanilla Ice song Ice Ice babe... which he played very loud all the time. I will miss Kevin so much, miss his smile, hugs, and laughter. I will never forget him. I will never forget the old school moments we shared. My condolence goes out to the Vaillancourt family. I am trueely sorry for your lost loved one. May you rest in peace Kevin. I will miss you forever.....

Sincerely

“ My husband and I got to know Kevin while my husband worked for the game department. Kevin was a great person and a wonderful friend. We will never forget all the fun times and the games of basketball played. Though we never got the chance to meet his children we always knew he'd be a wonderful and loving father. We knew the love he carried for Margie and know his children experienced that love as well. We will keep Kevins family in our thoughts and prayers and always keep Kevins memory in our hearts.##imported-begin##Rod and Sherry Decker##imported-end##

“ As Kevin's supervisor, I had the opportunity of knowing and working with Kevin over the last 5 years. Kevin was one of those "good" guys, great work ethics, honest, and he was always willing to help others out or take on the tough job no matter what it was. The importance of family to him was obvious with the many family photos he had posted in his office. He always left a meeting or discussion with a smile saying "Have a great day." I will greatly miss Kevin here in Region 2.##imported-begin##Terrie Preston##imported-end##

“ My deepest condolences to his family and loved ones. I had the pleasure of knowing Kevin through work and really enjoyed his sense of humor and comradery around the office. I will always cherish his mock 'certificate of merit' that he awarded me for "savory and bravery" for pushing trapped deer out of a canal. I'm sure going to miss him.##imported-begin##Rich Finger##imported-end##
