

Kim Hilderbrand Green

October 4, 1950 - January 30, 2021

Kim Hilderbrand Green, wife, mother, grandmother, and friend passed away on January 30th, 2021 at the age of 70. Kim was born on October 4th, 1950 in Renton, Washington to Bill and Marjorie Hilderbrand.

Kim was a lifelong resident of Moses Lake and married her soulmate, Thomas Green, in 1976. Together, they had two sons Jason and Tyler.

Kim had what many would call “the gift of gab” and she was able to talk with anyone and made friends everywhere she went. She accepted everyone and never dismissed or passed judgment on anyone. She loved being with people, hearing their stories, and always had an encouraging word for them.

During her life, Kim touched the lives of thousands of people through working at Moses Lake High School and her work in youth sports. She loved cheering on the Chiefs and was instrumental in bringing high school soccer to Moses Lake. She spent many nights at Lions Playfield and could often be heard yelling “hubba, hubba” from the stands.

While Kim loved being with others, her greatest joy was spending time with her family, particularly her four grandchildren. She had unquestionable love for her family and she never missed a birthday, holiday, or celebration and could always be seen cheering them on at their sporting events, school concerts, and performances. She was their biggest cheerleader and supporter and she will be greatly missed.

While there are many wonderful things that we will remember about Kim, it will be her positive outlook on life and her kindness towards others that we will

remember the most. Her passing will leave us with a giant hole in our hearts, but we know that we will see her in the simple acts of kindness that we are shown and show others.

Kim is survived by her husband Tom of 44 years. Her sons Jason (Tiffany) and Tyler (Jaime). She also leaves behind her beloved four grandchildren whom she loved dearly: Averie, Declan, Zoey, and Zander.

Due to Covid, a small family service will be held. The family would love to hear stories from the people whose lives she touched. Please feel free to share by adding a video, picture or kind words to her Kayser's Chapel Memory Page. In lieu of flowers, donations may be made to Moses Lake High School Boosters.

“ I am so sorry for your loss! This sweet lady become so much more than I can imagine to me when she befriended me when I was in high school over 10 years ago. She was not only my friend but my angel. I was not a fan of school and she was the library secretary at the time and something about me made her want to help me and before I knew it she was like my bestie. After high school usually you lose contact with people you met in high school but not this lady! For ten years she kept in contact with me and met me for lunch n messaged for my birthday n holidays and always got me goodies and gifts. I felt so comfortable sharing my life to her n she always supported me no matter what. I miss you so much! But heaven definitely gained the sweetest angel ever!

“ Tom, Jason, Tyler and families,

I'm so sorry for the loss of one of the most kind, loving women I've known. Kim was always there for whoever needed help, whether it be students, student athletes, co-workers or members of the general community. She spent many hours trying to make things better for others, and had a gift for making things fun.

We send our deepest sympathies to you all.

“ Our deepest sympathy to all of you on the passing of Kim. She was such a wonderful gift to our family for helping care for my sons during their younger years.

We spent many great times at sporting events and Kim was the best cheerleader for her sons as well as all the kids. I'll always remember her laugh, caring, and relaxed attitude rolling with whatever was going on.

Know that our prayers are with all of you.

“ Tom, Jason and Tyler I know your hearts are filled with sadness at this time. Please know that Kim was so well loved by so many and will be remembered for her words and deeds. She was my roommate in college at Central and I have so many memories of her. She was always the one person you could count on to give you the very best advise. I love her and always will.

“ *I have so many great memories of Kim. We roomed together in Ellensburg during her college days. It would be impossible to choose just one memory. Kim was always there for a friend with words of appreciation and encouragement. She helped raise so many kids through friendships, family and MLHS kids. We don't even know how much love and support she gave - even to strangers in need. She was a good, good, friend and I will miss her and her smile and her humor. Rest in Peace Kim*

“ I worked as a T.A for Mrs. Green in the library during my time at MLHS. After my first couple class periods with her, I knew she was going to be someone I would stay connected with long after graduating High School.

Mrs. Green made me feel like I could do anything. Her words of encouragement, genuine enthusiasm, and the warmth she radiated to the people around her made her so special. We made sure to meet for lunch during the summers when I moved back home from college, and she always remembered what I told her from our previous visits.

Her care for others and love for people was undeniable, and I hope to be even half as amazing as she was.

“ Kim was always so supportive and happy. We had many conversations back when about life and the twists and turns it can throw at a person. She never seemed to give up on life and I will always treasure our wonderful conversations. RIP my friend
