“ To Sister, Pat. I am so sorry to hear of your husband Kirk's illness and death. It is unfortunate that I have always lived so far away from family and did not really get to know him. Love you always and God Bless You.##imported-begin##Phyllis Howard##imported-end##

“ We are sad to hear the news of the illness and death of our cousin Kirk. It would have been nice if the extended family had known of his illness and death earlier. We pray for the family that has been left behind, may they have peace, love and wonderful memories to keep them going in this life. I am sure that Kirk is with his parents and grandparents and they are having a wonderful reunion. Again our love to all the family. Kirk was my best man almost 41 yrs ago and those are sweet memories that we hold dear at a time like this. We will not be able to attend Kirk's services as we will be in Oregon for the graduating of our oldest grandchild.
