“ I met Kohler (kings) about 5 years ago in christian chat 12. He always got me thinking in our Bible studies. He never kept things of the Bible at the surface. He caused you to dig deeper and he was the only one in the chatroom that could make me feel guilty if I had not read the Bible that day. All he had to say was, "So Seda, what are you studing now?" I either had an answer or hung my head and confessed. Thank you Kohler, for being such a good friend, though we never met in person. You have blessed many lives. My prayers are with the family. May God bless you and strengthen you in the days ahead.###imported-begin##Lisa (Mama Seda cc12)###imported-end##

“ There are so many memories it is hard to know where to start. Kohler (Kings) was an excellent bible teacher, he didn't give up easily in trying to explain something you didn't understand but were trying to.

He cold always make me laugh. Played the best music in cc12. Was an excellent host when we came up to visit him. I will never forget the Andes mints on the pillows and flowers by the bed.

I am so thankful that God blessed me with Kohler's friendship as well as a really cool brother.

You are missed but we WILL meet again.##imported-begin##Helen Vessell (Cali)##imported-end##

“ I became friends with Kohler aka Kingsknight many years ago. We were good chat buddies. He was the most loyal, caring, dependable friend. His knowledge and understanding of the Bible was phenominal. I loved the times we shared our ideas and thoughts concerning God and his Word.

Kohler was also a friend I could confide in and know I could trust him.

He meant so much to me. I will miss him more than words can ever express. Love you Kolher, my dear friend.##imported-begin##Gayle##imported-end##

“ I had the the honor of spending time with Kohler in chatroom 12 chatting and doing Bible studies. He will be severely missed as He is an inspiration and encouragement to us all. His experiences and testimonies of His walk with DAD demonstrate His strong relationship with Him! I will never forget his voice almost everytime I came into the chatroom: "So Petey, did you do your Bible study today?" I look forward to meeting him in glory shortly!!!##imported-begin##Mike (aka Petey Chatroom 12)##imported-end##
