“ Lanny and Kay were the best at creating memories for us to cherish in their absence. It was many years ago now, a group of us went y to o Vegas to see the rodeo and play near Christmas. Farmers must play in the winter and play we did! Miss you laughs and visits.

“ I knew, and loved, Lanny for 54 years. Even though we divorced and married different people, he still holds a special place in my heart. He was my first love, and my heart goes out to his kids and grandkids.
