“ *Lauretta, you will be missed. We didn't get to see each other often, but I did enjoy our visits on the telephone. I often remember our "Grandma's Slumber Parties" and reunions that we had at the cabin in the Cascades. We had stories of the Old Brick School House and of our families and friends that we loved. Rest in Peace my dear friend..... Nancy*

Lauretta and I were in the 6th grade together in the old school in Othello. Fun times. I am Betty Wilson's sister. Have kept in touch with "Sis" on and off for many years. I regret that I didn't do better with that. We used to go fishing in the canal when I lived in Othello in 1955. We both had small children so it was fun for them. Rest in Peace. JoAnn
