“ I miss you so much, it's like an empty space in my life that only you can fill. You are my light. I want to be selfish and have you with me but I know you're where you want to be. I love you Grandpa. Give Grandma love for me and dance with her. Allie now has to angels watching over her. Keep her safe and bless her with the wisdom you gave me. Till I see you again....always in my heart.
