Len was born September 7, 1942 in Seattle, son of the late Ernie and Vernice Molner. He was raised and educated in Seattle and graduated from Sealth high school. After working many years in produce, he decided to open his own produce company in Seattle. Len had always dreamed of buying a home on a lake so upon retirement in 2002 they moved to Moses Lake and purchased a home on the lake. He traveled extensively always enjoying meeting and making new friends. Faith was important and he was an active church member.

Len loved life and did everything from sky diving, raising horses, car racing, participating in demo derbys, hunting, fishing, snow and water skiing, just to name a few. He enjoyed wood working making many gifts for others to enjoy. All will remember him working hard, playing hard and sleeping hard. He was always willing to give of himself and saw the best in others.

Survivors include his loving wife, Barb Molner; children, Dan, Tami (Ken), Eric, Steve (Jahnay); brother, Mike (Nadine); 6 grandchildren, Deric (Jenna), Tasha, Jessica, Zak, Courtney and Justin; numerous cousins, aunts and uncles.

He will be greatly missed.

“ Papa was the best man I have ever known. He was not only the best grandfather anyone could ever ask for but also more like a father to me in that he raised me into the woman I have become today. Without him and grandma I do not know where I would be right now, realistically I would be dead or lost in the system. Papa has taught me so much in life, how to love others, how a man should treat me, how to save my money, how to waterski and so much more. He was and will always be my hero and some of the best memories I have ever had. There is no way for me to say goodbye but only to say that we will meet again someday in the city of gold and laugh together like we used to, carefree and in no pain. I love you Papa, you will always be in my heart##imported-begin##Tasha Molner##imported-end##
